Re: EPA No. S-880032-01

Dear Dr. Lederberg:

You will find enclosed a grant application from the Environmental Protection Agency for extramural review and a set of guidelines to assist you in preparing your review. Consistent with our ongoing policy we are asking that you perform this review without financial remuneration. In order for us to reach a timely decision your review should be completed and mailed by March 19, 1979.

Upon completion of your review, please mail it and the grant application in the enclosed addressed manila envelope.

Thank you very much for your help in reviewing this proposal.

Sincerely yours,
